Fellow Council Members
Town of Kenly:

I would like to announce my resignation as the Mayor of the Town of Kenly effectively immediately.

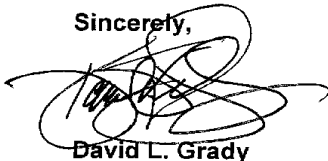

This past term has been difficult for me, and I do not feel I need to be a part of the planning processes going forward. My objectivity on the future decisions will not be good for the planning that must be done.

I know that in my "self" reflection, I do not feel like I have been a very effective leader for our community the past couple of years.

I will continue to support your efforts as the Council, and I personally thank all of you for your support during my tenure as the Mayor. I have the utmost respect for all of you being willing to serve our community.

There are many issues that need to be addressed, and you all will be in my thoughts and prayers as you move forward.

Sincerely,

A handwritten signature in black ink, appearing to read 'David L. Grady', with several loops and flourishes.
