Petition

County of Johnston
Board of Commissioners

We, the undersigned residents of Johnston County, North Carolina request the following changes be made to the method of electing the officers of the seven county commissioners districts, along with the structure of each:

1. That each district has an equitable number of voting age residents as deferred by state and federal law .
2. That only a resident of each districts can vote for candidates running for election as commissioned by that district .
3. That one of the seven county commissioner districts be conformed to allow for the majority of the voting age residents to be of minority races (African-American and Latino) while complying with state and federal request for fair districts .
